            Austin, TX 78712 USA

EDUCATION

Ph.D.   Institute for Communication Research, Stanford University, Stanford, California.
            Specialization: Research methods, communication campaigns, communication
            technologies, social effects of media and telecommunications.

M.A.   Institute for Communication Research, Stanford University, Stanford, California.
            Specialization: Communication law, social effects of mass communication,
            communication technologies.

B.A.   University of Wisconsin, Madison. Department of English. Honors degree.

PROFESSIONAL APPOINTMENTS

1997-   Director, Telecommunications and Information Policy Institute, University of Texas
present   at Austin

2008-present Philip G. Warner Regents Professor in Communication

2010   Rural Utilities Service, U.S. Department of Agriculture, Broadband Initiatives Program,
            Washington, D.C.

2003-   Chair, Department of Radio-TV-Film, UT-Austin
2010

2005   Visiting Professor, Aarhus University, Denmark

2003-2008   Everett Collier Fellow of Communication

2002-2003   Interim Chair, Department of Radio-TV-Film

2001-2002   Associate Chair, Department of Radio-TV-Film

2001   Professor, RTF Department

1996-   Director, Office of Survey Research, University of Texas at Austin.
1998

1990-93   Graduate Advisor, Department of Radio-TV-Film, University of Texas, Austin.

1991   Associate Professor, Department of Radio-TV-Film, University of Texas, Austin;

1991   Interim Director, Center for Research on Communication Technology and Society,
            College of Communication, University of Texas.

1989   Visiting Professor, School of Public Affairs, Arizona State University, Tempe, AZ.

1985-1990   Assistant Professor, Department of Radio-TV-Film, University of Texas

SELECTED RESEARCH GRANTS AND PROJECTS

2012-2017   Government of Portugal. Establish joint research and teaching in the digital media area with several Portuguese universities and related institutions. Approximately $2,000,000

2012   MacArthur Foundation. Broadband and Health IT. Commissioned study.

2012.   National Agricultural and Rural Development Policy Center (federal agency). With Brian Whitacre and Roberto Gallardo. $15,000

2012   Texas Connects Coalition. Grant to examine Public Computing Centers and digital inclusion efforts. $34,000

2012   Gift from Warner Studios via University of California, Santa Barbara to TIPI. $5000.

2007-2012   Government of Portugal. Establish joint research and teaching in the digital media area with several Portuguese universities and related institutions. Approximately $3,000,000 over five years.

2010-2012   Fundação para a Ciência ea Tecnologia, Immersive Television [Joint research project with Dr. Joao Malgalhaes, University of New Lisbon]. $140,000 plus 225,000 Euros

2010   USDA, Rural Utilities Service, IPA agreement, $93,000

2009   Center for Rural Strategies. Investigate indicators of successful broadband deployment in rural regions. $20,000.

2006   UT Documentary Center. University grant for three years of start up funding for a new center, shared with photo-journalism area in Journalism. $80,000

2005   E-rate and Rural Communities. Rural Policy Institute, University of Missouri. $7800

2004-2009   United States Department of Agriculture. Closing the Rural Broadband Gap: A Field Experiment. [Co-PIs with Michigan State University and University of Kentucky, five-year study] $223,000 for UT, overall grant approximately $500,000.

2004   Gift from AT&T to TIPI ($10,000)

2003-04   Internet services in Texas: Online Government Issues, Department of Information Resources. $59,000

2003   VOIP and 211 Services Nationwide. State of Texas Health and Human Services. $12,000

2003   Local Services and Broadband Competition in Three States. Consumer Federation. $50,000.

2002-03   Assessing Community Networks. Telecommunications Infrastructure Fund Board, State of Texas. $338,000.

2002   Rural Telecommunications Policy. University of Missouri (from the US Department of Agriculture). $30,000

2002   Implementing national 211 services. Texas Department of Health and Human Services Commission.

2001   Organizational aspects of Internet2 Services to the Texas K-20 Community. Telecommunications Infrastructure Fund Board, $10,000

2001   Evaluation of a Community-based Training Program. U.S. Department of Education through Capital Area Training Foundation. $25,600

2001   Implementation Aspects of 211 Services. Texas Health and Human Services. $30,000

2000   Supporting Community Networking. Funded by the Microsoft Corporation. $42,000

2000   The Austin Telecommunity Network. A joint proposal from TIPI, the City of Austin, Austin Community Colege, AISD, and Knowbility. Funded by the Telecommunications Infrastructure Fund Board. $500,000

2000   An Analysis of the Telecommunications and Information Infrastructure and Services, and an Assessment of Gaps in Universal Service in the Appalachian Region. Funded by the U.S. Appalachian Regional Commission. $99,993

2000   Internet services in Texas: Online Government Issues. Funded by the Texas Department of Information Resources and the Public Utility Commission. $34,160

2000   The Digital Divide and Information Literacy. Supported by a $50,000 gift from the GTE Foundation.

1998   A Feasibility Study for an N11 Social Services Referral System. Texas Health and Human Services Commission. $23,695

1998   Children's Justice Act Telemedicine Assessment. TX Department of Protective and Regulatory Services. $20,872

1997   Gift from Samsung Corporation to support work on Information Society Issues. $25,000

1996   Developing Anti-Smoking PSAs, Texas Department of Health (Co-PI with Dr. Karin Wilkins). $38,988

1996   A Study of Public Attitudes toward Public Health, Texas Department of Health. $33,924

1996-97   Economic integration and cultural integration.
Center for the Study of Western Hemispheric Trade, University of Texas at Austin. $31,849

1989-90   Co-Principal Investigator: Telecommunications and Rural Development: A Policy Study of Economic Development and Public Service Applications. LBJ School of Public Affairs- and College of Communication Policy Research Project sponsored by Southwestern Bell and the Texas Telephone Association. Approximately $60,000

1988-89   Co-Principal Investigator: Urban telecommunications and Policy. LBJ School of Public Affairs-and College of Communication Policy Research Project. Sponsored by Southwestern Bell Telephone, GTE, and the Texas Telephone Association. Approximately $60,000

Strover, S. Communities and the digital divide: the ground level view. Presented at the National Communication Association, Miami, November 20-23, 2003.

Social geographies. Invited presentation at Indiana University, November, 2003.

Where there be dragons. (With Patrick Burkart). Global Fusion conference, Austin, TX, October, 2003.

Strover, S., Jody Waters and Gary Chapman. <u>Beyond community networking and CTCs: Access, development and public policy</u>. Presented at the Telecommunications Policy and Research Conference, Washington, D.C., September 19-21, 2003.

Technology change, regulation and innovation in the U.S. Presented at the 7th International Conference on Technology Policy and Innovation, Monterrey, Mexico, June, 2003.

Invited participant in Rockefeller-sponsored Copyright Workshop, LBJ School of Public Affairs, Austin, TX, April 4-5, 2003.

Evaluating Community Networks. Presented at the Community Networking Conference, Austin, TX December, 2002.

The Prospects for broadband deployment in rural America. Presented at the Telecommunications Policy Research Conference, Washington, D.C., September, 2002.

Analyzing rural broadband. Presented at the International Communication Association, Seoul, South Korea, July 2002.

Citizens' perspectives on E-Government. Presented at the International Association of Mass Communication Research, Barcelona, Spain, July 2002.

"From the digital divide to the bandwidth divide."   Presented at the Texas broadband stakeholders forum, organized by the Public Utility Commission. Austin, 2002.

"The rural Digital Divide: Findings from the Appalachian Region." With Michael Oden and Nobuya Inagaki. Presented at the Digital Divide Symposium, Austin, November, 2001.

"Gaps in the Appalachian Region's Economic and telecommunications Infrastructure." With Michael Oden. Presented at the Appalachian Regional Commission's Board Meeting, Jenny Wiley Sate Park, KY, November, 2001.

"The Geography of Telecommunications Infrastructure in the Appalachian Region." With Michael Oden and Nobuya Inagaki. Presented at the Digital Communities Conference, Chicago, November, 2001.

"Telecommunications and Rural Economies: Findings from the Appalachian Region." With Michael Oden and Nobuya Inagaki.   Presented at the Telecommunications Policy Research Conference, Virginia, October, 2001.

"Telecommunications opportunities in rural America." Presentation at the Symposium on National Policy for Addressing Population Loss in the Great Plains, Bismarck, October, 2001.

"Connecting Rural Areas to New Opportunities." Presentation at the National Conference of State Legislators, San Antonio, TX, August 2001.

"The Digital Divide in Texas." With Joe Straubhaar. Presented at the International Communication Association, Washington, D.C., May, 2001. TOP PAPER AWARD.

"Developing telecommunications infrastructure: State and local policy collisions" (with Lon Berquist). Presented at the Telecommunications Policy Research Conference, Washington, D.C., September, 2000.

"Innovations in rural telecommunications policy: The State/Local Level." Presented at the national Public Policy Education Conference, Albany, NY, September 17-20, 2000.

"Media and telecommunication policy in NAFTA: Trade, culture and NAFTA." Panel presentation at the International Communication Association, Acapulco, Mexico, June, 2000.

"Internet services in rural America." Presented at the International Communication Association, Acapulco, Mexico, June, 2000.

"Communication Research for the Next Generation Internet: Policy issues facing Internet2." Panel presentation at the International Communication Association, Acapulco, Mexico, June, 2000.

"Rural Internet connectivity." Presented at the Telecommunications Policy Research Conference, Alexandria, VA, September, 1999.

"Challenges to rural connectivity: Facing the competitive framework." Presented at the International Association for Media and Communication Research, July 27-31, 1999, Leipzig, Germany.

"In the age of digital reproduction: Broadcasting and convergence issues in the New Millenium." Presented to the Korean Broadcasting Academic Society, June 11, 1999, Seoul.

"Cultural industries, production conventions and trade" (with Patrick Burkart). NAFTA Conference, University of Texas at Austin, June, 1999.

"Culture wars in the parking lot."   Society for Cinema Studies, Coral Gables, April 14-17, 1999.

"Community Standards and the Internet" (with Kyle Nicholas). Presented at the International Communication Association conference, Jerusalem, Israel, July, 1998.

"Dissolving Boundaries: Communication, Transnational Corporations and the State." Panel presentation at the International Communication Association conference, Jerusalem, Israel, July, 1998.

"Spatialization dynamics and Latin American media." Presented at the International Association of Mass Communication Research, Glasgow, Scotland, July, 1998.

"Comparative Internet Standards," (with Kyle Nicholas) presented at Beyond Convergence: Twelfth Biennial Conference, International Telecommunication Society, Stockholm, Sweden, June, 1998.

"Developments in Latin American Television." Presented to the Academic Seminar, National Cable Television Association convention, May, 1998, Atlanta.

"Cyber-Hucksterism and Kids." Richards, J. I., Stout, P., Strover, S., and Wartella, E. (1998). Presented at the 1998 Conference of the American Academy of Advertising, Lexington, Kentucky (March 30).

Discussant, Trade and Cultural Policies Conference. Convened by the Center for the Study of Western Hemispheric Trade, University of Texas, Feb. 2, 1998.

"Global media and Latin America," presented at the International Association of Mass Communication Research, Oaxaca, Mexico, July, 1997.

"Reflections on culture industries and trade," International Communication Conference, Montreal, May, 1997.

"Transnational Media Industries in Latin America," with Omar Hernandez, Dr. Kent Wilkinson and Patrick Burkart, 14th Annual International and Intercultural Studies conference, Miami, FL, February, 1997.

"Economic integration and cultural integration," with Omar Hernandez and Patrick Burkart, Southwest Council of Latin American Studies, Austin, TX , February 20-22, 1997.

"Lines in the sand: The business of culture." Invited paper presented at the Projecting the Nation conference, Film Institute of Ireland, November, 1996.

"Globalization and linguistic markets for audio-visual products." Paper presented to the International Communication Association Conference, Chicago, May, 1996.

"Public television, political television: public broadcasting and politics in the U.S." Paper presented to the Social Theory, Politics and the Arts Conference, Santa Barbara, CA, October, 1995 (with Tom McCourt).

"Politics and presentation in European media production." Paper presented at the University of Stockholm, Stockholm, Sweden, February, 1995.

"European audio-visual policy and production trends." Paper presented at the Politics, Social Theory and the Arts conference, Baton Rouge, LA, October, 1994.

"Institutional Adaptations to Trade: The case of U.S.-European Coproductions," presented at Turbulent Europe: Conflict, Identity and Culture, British Film Institute, London, July, 1994.

"European Coproductions and the Construction of the National," presented at the International Communication Association conference, Sydney, Australia, July, 1994.

PUBLIC POLICY-RELATED PRESENTATIONS (since 1996)

Strover, S. and Gary Chapman. (July, 2010) Convenor, International School for Digital Transformation, Porto, Portugal, July 2010.

Strover, S. and Gary Chapman. (July, 2009) Convenor, International School for Digital Transformation, Porto, Portugal, July 2009.

America's Forgotten Challenge. Media Democracy Fund, Washington, D.C. December, 2008.

Reclaim the commons. Presenter and moderator at the national conference for NAMAC (National Alliance for Media Arts and Culture). October, 2007.

A framework for universal service in 21st century America. Presented at the Rural Telecongress, Springfield, Illinois, October, 2007.

Benton Foundation Universal Service Project: Universal service in rural America. Washington, D.C., June, 2007.

State and Federal Broadband policies. Presented at Airlie Center, VA, Conference for Rural Centers, November, 2005.

Covering Telecommunications in the US. Presented at the Knight Center Workshop for Specialized Journalism. University of Maryland. June, 2005.

Rural Telecommunications Issues. Presented at the Trends and Opportunities in Telecommunications: Telecommunications Symposium, Truman School of Public Affairs, University of Missouri, November 8, 2004.

Business and consumer e-government. Presented at the Advisory Committee meeting for the Department of Information Resources, Texas, March, 2004.

Lessons Learned from Community Networking Projects in Texas. Presented at the Annual Community Networking conference, Austin, TX, December, 2003. (with Gary Chapman, Carolyn Cunningham, and Chris Lucas)

Community Network Potential in Rural Regions. Presented at the Rural TeleCongress Conference, Washington, D.C., September 28-October 1, 2003.

A Preliminary Evaluation of 12 Community Networks. Regional Community Networking Conference, July 2003, Ft. Bend, TX.

Trends and Concerns of Information on the Internet. Women's Health Network. San Antonio, March, 2003.

Linking research to rural policy. Rural TeleCongress Conference, October, 2002, Des Moines.

Telecommunications in rural America. Congressional Staff Briefing, September, 2002, Washington, D.C.

Connecting Rural Areas to New Opportunities. National Conference of State Legislatures, August, 2001.

Interent Use in Texas. Public Utility Commission presentation, December, 2000.

The Digital Divide in Texas. The Technology Summit, Austin, TX, October 9, 2000.

Conflicting state and local roles in telecommunications. RuralTelecon 2000, September 31-October 4, 2000, Aspen, Colorado.

Aspects of the Digital Divide. Texas Higher Education Coordinating Board Symposium, August, 2000.

Telecommunications, Security, and the Internet. Presented to the Texas Association of Telecommunications Officers and Administrators, August, 2000.

The Digital Divide and Privacy and security matters in Texas. Presented to the Lt. Governor's Task Force on Digital Government, Austin, TX, July, 2000.

Presentation to the Texas Legislative Subcommittee on Telecommunications, June 13, 2000

Internet workshop organizer and participant, Public Utility Commission, December, 1999.

Convenor, Second Annual Telecommunication Summit, University of Texas, Austin, May, 1999.

"The Last mile: The challenge of connectivity." American Library Association, Dallas, April 21, 1999.

"Wiring your state and community." Presented at the regional Economic Development Association Meeting, Dallas, June 4, 1999.

"Telecommunications and Economic Development," invited presentation, Capital Area Planning Council, Austin, TX, May, 1998.

"Digital media and children." Center for Media Education conference, Washington, D.C., October, 1998.

Keynote speech, Agency Telecommunications Seminar, Austin, TX. June, 1998.

Convenor, Telecommunications Policy Track, Telecommunications Engineering Conference. Track 1: Telecommunications and rural Texas; Track 2: Ecommerce and Security. Austin, TX Feb. 2-4. 1998

Panelist, "Technology Review and Forecast," Government and Technology Conference, Feb. 12, 1998, Austin, TX.

Convenor, Texas Telecommunications Summit, December, 1997. Austin, TX.

"Children and the Internet." Invited talk, CyberRights Conference, University of Texas at Austin, September, 1997.

"Children and the Internet: Parental concerns and Internet site data," Invited testimony, Federal Trade Commission, Washington, D.C., June, 1997.

"Telecommunications Infrastructure Challenges," Invited talk, Price-Waterhouse Luncheon series, April, 1997.

"The 1996 Telecommunications Act," Invited talk, Electronic Frontier Foundation-Austin, April, 1997.

"Texas Poll Examinations of Technology," Invited talk to the Texas Association of Newspaper Editors, Austin, April 1997.

Invited testimony to the Social Security Administration regarding the Electronic PEBES service. (personal earnings and benefits estimates statement) Austin, April, 1997.

"Community Media after the Telecommunications Act," Broadcast Education Association, Las Vegas, March, 1997.

"Telecommunications Deregulation," Workshop presentation to Leadership Austin, February, 1997.

"Using Electronic Resources in Teaching," presentation to the Southwest Conference on Writing and Composition, Austin, TX, March, 1996 (with Megan Mullen)

"The 1996 Telecommunications Act." Panelist, SXSW Media conference, Austin, March, 1996

RECENT AWARDS, HONORS, DISTINCTIONS

Member, Academic Review Panel, ASR Analytics Evaluation of NTIA BTOP Program, 2011
Member, National Telecommunications and Information Administration Advisory Panel, Washington, D.C. 2009-2011
Reviewer, U.S., Department of Agriculture, National grant competition for Innovation Research 2009-2010
Reviewer, Institute for Museum and Library Services, National grant competition, 2010
Communication Law and Policy Division, International Communication Association, Top Paper Award 2010
Chair, Communication Law and Policy Division, International Communication Association 2006-2008 [elected]
Member, Benton Foundation Universal Service Project, 2007-2009.
Member, Minority Consumer Advisory Committee, MCI Communications, 2004-2005
Nominated for Dewey Winburne Community Service Award, Austin, TX, 2003
Everett D. Collier Fellowship in Communication, 2002-2008
United States Department of Agriculture, Group Honor Award for Excellence, 2002 [for work with the Rural Policy Institute]
Communication and Technology Top Paper Award, International Communications Association, 2001
Recipient, Outstanding Graduate Teaching, University of Texas at Austin, 1999.
Mass Communication Division Chair, 1999-2001, International Communication Association [elected]

MEMBERSHIPS AND SERVICE

Professional Academic

Academic Leadership Institute participant (nominated by the UT system), 2009-2010.
Virtual Worlds Conference, University of Texas at Austin, Discussant, April 2009
Reviewer, International Communication Association, every year since 1987
University of Texas representation, UT System Leadership Development Program, 2009
Program Committee, Beyond East and West conference, Budapest, 2009
Member, Benton Foundation Universal Service Project, 2006-07
Member, NAMAC National Conference Steering Committee, 2006-07
Chair, Communications Law and Policy Division, International Communication Association, 2006-2008
Advisory Board Member, MCI Consumer Board
Advisory Board Member, Magness Institute at the Cable Center, Denver, Colorado
Vice Chair, Communications Law and Policy Division, International Communication Association, 2004-2006
Member, Special Advisory Group to the Mass Communication Division, ICA, 2003-
Member, Telecommunications Policy Research Conference Steering Committee, 2000-2003
Member, Internet2 Advisory Council on Network Policies and Planning, University Corporation for Advanced Internet Development, 1999-2003.

Division Chair, Mass Communication, International Communication Association, 1999-2001
Member, Review Panel for Grants Program, US Department of Agriculture, 2001-2002
Member, National Academy of Sciences Digital Divide Panel, 2000
Steering Committee Member, Telecommunications Law Seminar, University of Texas, 1999-2000
Steering Committee Member, Computers, Freedom and Privacy Annual Conference. February 16-18,
        1998, Austin, TX.
Co-Chair, Second Annual Telecommunications Law Conference. Austin, TX (Feb. 1998)
Gannett Foundation Freedom Forum Workshop Participant, Electronic Communication Systems, San
      Francisco, February 1997.
Member, Review Panel, Small Business Administration 1990-1994
Member, International Communication Association (ICA)
Member, International Association of Mass Communication Research
Member, Task Force on Communication Policy, ICA (1989-1991)
Reviewer/Associate Editor/Editorial Board, Government Information Quarterly, The Information
        Society, Journal of Communication, Journalism Quarterly, Communication Education,
        Communication Studies Journal, Communication Research, Journalism Monographs,
        Critical Studies in Mass Communication, Information Technology Studies, Journal of
        Broadcasting and Electronic Media, Telecommunications Policy and New Media.
Reviewer for Wadsworth, Focal Press, and Sage publishers.
Reviewer for Economic Research Service (Department of Agriculture) special publication on broadband
outcomes, 2009
Reviewer, the Annenberg/CPB Foundation (Technology project division), Washington, D.C.
Division Editor, Communication Yearbook, 1983 and 1999.
Member, Aspen Institute Advisory Panel for Rural Telecommunications Policy, 1989-90

Professional Policy-Related Service
Consultant and "scholar-in-residence," Rural Utilities Service, USDA, 2010
Chair, Telecommunications Panel, Rural Policy Institute, 2001-2007
Member, Texas State Strategic Plan Advisory Committee, 2001
Convener and participant, Texas Public Utility Commission hearing on telecommunications and the Internet,
2000
Member, National Telecommunications Panel, The Rural Policy Institute [A multi-university consortium,
      headquartered at the University of Missouri], 1998-2000
Member, Statewide Network Planning Task Force, Texas Department of Information Resources, 1999-2001
Convenor, Telecommunications Summit Conference (TIPI), 1997, 1999
Co-Host, Community Networking Conference, Austin, TX December 1999, 2000
Co-Host, Bandwidth Conference, Austin, TX August, 2000, 2001
Member, Office of Technology Assessment (U.S. Congress), Advisory Panel on Rural
      Telecommunications, 1989-91
Member, Advisory Committee, Office of Technology Assessment, U.S. Congress, 1989-91

University Service
Member, Faculty IT Committee, 2009-2011
Member, Provost's Gender Equity Committee, 2007-2008
Member, Information Technology Advisory Committee (ITAC) 2005-2009
Member, Faculty Information Technology Committee
Symposium Organizer, Women's and Gender Studies, Women and Technology Lecture Series, 2005-06
Director, Telecommunications and Information Policy Institute, 1997-current
Faculty Working Group on Academic Leadership, convened by President Faulkner, 2005
Steering Committee Member, Service Learning at UT-Austin, 2004-2005
Faculty Council, 2002-2004 (elected)
Steering Committee Member, Bridging Disciplines Program, 2002-current
Women's Studies Program, Steering Committee, 1993-99
Member, University Research Committee, 1998-2002
Fulbright Evaluation Committee, 1998-9
University Distance Education Committee 1998-98
Symposium Organizer, Women's Studies Women and Technology Series, 1996-97.
University/Faculty Council, 1992-95
Chair, University Standing Committee on Student Financial Aid Services 1993-94
Member, University Standing Committee on Student Financial Aid Services 1992-93

Faculty Senate, 1992-94
Member, Faculty Governance Committee of the Faculty Senate 1992-93
Chair, Women's Studies Research Seminar Series, Fall, 1993
Guest lecturer for various on and off campus organizations: LAMP (Media and Politics, October, Rape Awareness Week (Sexuality and Popular Culture), Proposal Writing (Graduate School); Women in Communication (Trends in Cable Television), Summer Orientation (for minorities, for international students), Women's Studies Program, various lecture courses.

Departmental and College Service

Department:
 Chair, 2003-2010
Interim Chair, 2002-2003
Associate Chair, 2001-2003
Assistant Graduate Advisor, 1996-2002
Budget Council/Executive Council [the departmental executive committee], 1990-93, 1995-98, 1999-
        2000, 2003-2009
Graduate Advisor, 1990-1993
Various departmental committees, including Governance Committee, Undergraduate Studies committee,
        MFA Committee [chair, 93-94], Curriculum committee, Admissions, Faculty Search Committees,
        Special Equipment, Chair of search committees several times, among other duties
Communication Technology & Policy area head, 1990-1998
Chair, Graduate Studies Committee for Department of Radio-TV-Film, 1988-1990.
Internal Review Committee Chair for Human Subjects, 1988-1992

College:
Administrative Committee, 2003-2010
Member, College Technology Committee
Director, Office of Survey Research, 1996-98
Various College of Communication committees (Internationalization; Research; Danielson award; Awards; Scholarship)
RTF Representative, Vision Plan Committee [Computer Planning for the College], 1993
Member, Committee of 25, Silver Anniversary Committee for College of Communication, University of
    Texas, Austin, TX, 1989-90.

COURSES TAUGHT

Communication Theory and Literature (G)	The Information Society (G, U)
Research Methodology (G)	Telecommunications and Information Policy (G)
Technology and Culture (G)	Public Policy & Communication Issues (U)
Cable Television and New Media (U, G)	Information and Civilization (U)
The New Urban Infrastructure (PRP - G)	Telecommunications & Rural Development (PRP-G)
Computer-Human Interaction (G)	Mass Communication Theory (G)

Introduction to Communication Technology (U)   Communities and Computing (U)
Technology, Policy and Communications (U)
Web 2.0 and Interactivity (G)

Cross-listings and Co-teaching: Many courses are cross listed with the Graduate School of Library and Information Science, with American Studies, and with the Technology, Literacy and Culture program. I co-taught Policy Research Projects with LBJ School of Public Affairs faculty in 1988-1990.
