

Marina Fontolan, Ph.D.

E-mail: marina.fontolan@utexas.edu

Web Curriculum/Portfolio: <https://marinafontolan.com/>

EDUCATION

University of Campinas - Unicamp

Ph.D. in Science and Technology Policy, 2020

M.A. in Cultural History, 2015 (M.A. program)

Bachelor and Teaching License in History, 2011

ACADEMIC APPOINTMENTS

University of Texas, Austin (2023 –)

Visiting Assistant Professor, Moody College of Communication, Department of Radio-Television-Film

University of Campinas - Unicamp (2022-2023)

Postdoc Researcher and Volunteer Lecturer, Department of Science and Technology Policy

Freie Universität (2022)

International Fellow, Osteuropa Institut

Robert Morris University (2022)

International Visiting Scholar - Rooney Scholar Award

University of Campinas - Unicamp (2020-2022)

Volunteer Researcher and Volunteer Lecturer, Department of Science and Technology Policy

Rensselaer Polytechnic Institute (2018-2019)

International Visiting Student Scholar, Department of Science and Technology Studies

Stanford University (2013)

International Visiting Student Scholar, Department of Archaeology

TEACHING

University of Campinas - Unicamp

Lecturer (Volunteer)

- Course title: Science, Technology and Society
 - Course description: This course aims to introduce the student to the theme of science and technology studies and science and technology policy. It presents the relationship between science, technology and society both in the past and in the present.
 - Undergrad course of the Institute of Geosciences (in-person), Department of Science and Technology Policy
 - Course taught with Postdoc Researcher Ana Maria Nunes Gimenez
 - Course lectured in 15 weeks, with a total of 30hs for 45 students, Mar-Jun 2023
- Course title: Brazilian Political, Economic and Social History
 - Course description: Present and discuss relevant economic, social and political issues in the Brazilian history from sociological and historical approaches, articulating them in order to allow an understanding of the construction of the country and the current moment.
 - Undergrad course of the Institute of Geosciences (online), Department of Science and Technology Policy
 - Course taught with Postdoc Researcher Carla Pimentel Águas
 - Course lectured in 15 weeks, with a total of 30hs for 38 students, Aug-Nov 2021

Teaching Assistant

- Course title: Science, Technology and Society
 - Course description: This course aims to introduce the student to the theme of science and technology studies and science and technology policy. It presents the relationship between science, technology and society both in the past and in the present.
 - Undergrad course of the Institute of Geosciences (in-person), Department of Science and Technology Policy
 - Course lectured in 15 weeks, with a total of 30hs for 46 students, Mar-Jun 2018
 - Supervisor: Assistant Professor Janaina Pamplona da Costa
- Course title: Science, Technology and Society
 - Course description: This course aims to introduce the student to the theme of science and technology studies and science and technology policy. It presents the relationship between science, technology and society both in the past and in the present.
 - Undergrad course of the Institute of Geosciences (in-person), Department of Science and Technology Policy

- Course lectured in 15 weeks, with a total of 30hs for 39 students, Mar-Jun 2017
 - Supervisor: Assistant Professor Maria Beatriz Bonacceli
- Course title: Special Topics in History - Introduction to Archaeology
 - Course description: The goal of this course is to introduce students to the most current literature about Archaeology, exploring the discipline's history and current discussions and study themes. This course includes theoretical discussions about research methods in Archaeology.
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course lectured in 15 weeks, with a total of 60hs for 19 students, Aug-Nov 2014
 - Supervisor: Professor Pedro Paulo Abreu Funari
- Course title: Ancient History
 - Course description: The goal of this course is to introduce students to the most current literature about Ancient History. The course covers from pre-history to the end of the Roman Empire and students explores different themes and research methods, including material culture.
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course lectured in 15 weeks, with a total of 60hs for 42 students, Mar-Jun 2013
 - Supervisor: Professor Pedro Paulo Abreu Funari

Tutor

- Course title: Special Topics in History - Roman Empire under a Post-modern Perspective
 - Course description: This advanced undergrad course that focus on the Roman Empire. It requires students to read the most recent discussions on Ancient Rome studies, focused on material culture and written document analysis.
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course lectured in 15 weeks, with a total of 60hs, Aug-Nov 2010
 - Supervisors: Professor Pedro Paulo Abreu Funari and Postdoc Researcher Renato Pinto
- Course title: Special Topics in History - Uses of the Past and History Teaching
 - Course description: This advanced undergrad course provides students with advanced tools to provide an effective history teaching. The course is focused on middle and high school situations to students willing to become history teachers.
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course lectured in 15 weeks, with a total of 60hs, Aug-Nov 2010

- Supervisors: Professor Pedro Paulo Abreu Funari and PhD Candidate Raquel Funari
- Course title: Special Topics in History - Material Culture and Written Documents in Ancient Greece's Historical Archaeology
 - Course description: This advanced undergrad course that focus on Ancient Greece's Historical Archaeology. It requires students to read the most recent discussions on Ancient Greece studies, focused on material culture and written document analysis.
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course lectured in 15 weeks, with a total of 60hs, Aug-Nov 2009
 - Supervisors: Professor Pedro Paulo Abreu Funari and Postdoc Researcher José Grillo
- Course title: Ancient History
 - Undergrad course of the Institute of Philosophy and Human Sciences (in-person), Department of History
 - Course description: The goal of this course is to introduce students to the most current literature about Ancient History. The course covers from pre-history to the end of the Roman Empire and students explores different themes and research methods, including material culture.
 - Course lectured in 15 weeks, with a total of 60hs, Mar-Jun 2008
 - Supervisors: Professor Pedro Paulo Abreu Funari

Universidade Federal do Tocantins - UFT

Lecturer (volunteer)

- Course title: Public Policy in Science, Technology, and Innovation in Brazil
 - Course description: This course aims at presenting the students with the most current discussions on science, technology, and innovation in Brazil, focusing on the public policy role. This course explores the development and institutionalization of science, the relationship between knowledge production – including its context of Global North dependency – and use, and the relationship between governments, universities, and private companies.
 - Specialization course of the Observatório de Pesquisas Aplicadas ao Jornalismo e ao Ensino (Opaje)
 - Course taught with Lecturer Marco Antonio Baleiro Alves, Apr-May 2021
 - Condensed course lectured in 4 weeks (online), with a total of 30hs for 270 students

Escola de Idiomas - Atlética Acadêmica XV de Julho

English Teacher

- Course title: TOEFL Preparation Course
 - Course description: The course designed to prepare students to apply for the TOEFL exam. The goal of the course is to present and train students on the four TOEFL's sections (reading, listening, speaking, and writing).
 - Courses of 40hours each, lectured in 13 weeks

- Courses given: Mar-Jun 2020 (online - 5 students); Aug-Nov 2020 (online - 10 students); Mar-Jun 2021 (online - 12 students); Aug-Nov 2021 (online - 11 students); Aug-Nov 2023 (in-person 10 students)
- Course title: English III (Pre-Intermediate)
 - Course description: The goal is to continue student's education of English as a second language. The course's major themes are: comparatives and superlatives, different verb tenses for expressing future intentions, past continuous, and present perfect.
 - Courses of 40hours each, lectured in 13 weeks
 - Courses given: Aug-Nov 2020 (online - 10 students); Mar-Jun 2021 (online - 14 students); Aug-Nov 2021 (online - 16 students)

PRESENTATIONS

Invited Keynotes and Workshops

"Redes e Organização na Ciência: um estudo de caso do projeto Endure".

University of Campinas - Unicamp, June 2023.

The Whirl of Knowledge Polarisation and Cultural Populism in Europe and Beyond
 Freie Universität, November 2022
 Invited to open the seminar

Allies in Esports: A Discussion of Diversity and Inclusion in Esports and Gaming
 Robert Morris University, April 2022
 Panelist

“Localization, Games, and Authenticity: Perceptions from Localizers”
 Rooney International Visiting Scholar Program
 Robert Morris University, March 2022

“Game Studies and Diversity: beyond traditional approaches”
 Women’s Leadership and Mentorship Program March Coffee Hour Women’s History Month programming
 Robert Morris University, March 2022

“Gaming in Brazil: a History”
 Rooney International Visiting Scholar Program
 Robert Morris University, February 2022

“Videogame Localization, a historical take on the US and Brazil”
 Association for Research in Digital Interactive Narratives (Online), November 2021

“A Volta do Movimento Antivacina”
 Fórum Permanente: Os desafios de comunicar ciência em tempos sombrios.
 University of Campinas (Online), May 2021

“Dinámicas colaborativas y co-producción del conocimiento en América Latina: El caso de los serious games” (English title: Dynamic collaborations and knowledge co-production in Latin America: the serious games case”)

Seminario do Instituto de Estudios en Ciencia, Tecnología, Cultura y Desarrollo
Río Negro National University (Online), March 2021

“Video Game Localization and STS: Theoretical Approaches”
Colloquium/Brownbag Series Science and Technology Studies Department.
Rensselaer Polytechnic Institute, March 2019

“Arqueología Subaquática e Gênero em Imagens: uma Leitura”
Federal University of Pelotas, June 2014

“Arqueologia: fonte histórica e usos na sala de aula”
Workshop taught
Public Archaeology Lab, University of Campinas, May 2014

“Arqueología Subaquática, Imagens e Gênero: Possíveis Relações”
Sextas da Arqueología lecture series
Public Archaeology Lab, University of Campinas, March 2014

Conference Papers and Panels

Locating Media Industries: Cities, Spaces, Places – London, 2023.
Accepted paper: “Video Game Industry and Clusters in Brazil”
Co-author: Janaina Pamplona da Costa

Society for Cinema and Media Studies – Denver, 2023
Accepted Paper: “Debates on Video game Localization and Authenticity”
Co-authors: Janaina Pamplona da Costa and James Wilson Malazita

Science Fiction and Fantasy Gaming Conference – online, 2023
Paper: “Hacking, fun, and videogames: representing hacking on games”

4S/ESOCITE Meeting – hybrid conference (Cholula and Online), 2023.
Paper: “An introduction on collaborative dynamics and knowledge co-production in Serious Games”
Co-author: Luciano Guillermo Levin
Panel and chair: “Repair and Maintenance of Media Technologies: A Hybrid Approach”
Co-organizers: Alexander John Daniel Mirowski and Logan Donner Brown
Panel and chair: “Knowledge production and Cultural Media: Reconfiguring STS”
Co-organizer: Luciano Guillermo Levin

Chinese Digital Games Research Association Conference – online, 2022
Paper: “Localization Practices, Video Games, and Authenticities”
Co-authors: Janaina Pamplona da Costa and James Wilson Malazita

VIII REACT (Reunião de Antropologia da Ciência e da Tecnologia) – online, 2021
Paper: “Jogos digitais e trabalho digital: construindo novos mundos sem custos” (English title: “Digital Games and Digital Work: building new worlds with no costs”)
Co-authors: Daniela Albini Pinheiro and Manuela Rocha

IX Simpósio Nacional de Ciência, Tecnologia e Sociedade (ESOCITE.BR) – online, 2021

Paper: “Dinâmicas Colaborativas e co-produção do conhecimento nos Serious Games: uma revisão de literatura” (English title: “Serious Games’ Collaborative Dynamics and Knowledge Co-Production: a literature review”)

Panel and Chair: “Ciência, Tecnologia e Autoritarismos”

Co-organizer: Alcides Eduardo dos Reis Perón

4S Annual Meeting – online, 2021

Paper: “Histories of Game Localization Practices”

Co-authors: Janaina Pamplona da Costa, James Wilson Malazita, and Léa Maria Leme Velho

Paper: “Repairing Media Technologies: Toward a Hybrid Methodology”

Co-authors: Alexander John Daniel Mirowski and Logan Donner Brown

Panel and Chair: “Practices and Methods of Repair and Maintenance of Cultural Media”

Co-organizers: Alexander John Daniel Mirowski and Logan Donner Brown

STGlobal 2021 Virtual Conference – online, 2021

Paper: “Building Communities in Games: Romhacking, Modding, and Videogame Localization”

2021 Annual Meeting of the American Association of Geographers – online, 2021

Paper: “Digital Games and Digital Labor: building new worlds, no costs involved”

Co-authors: Daniela Albini Pinheiro and Manuela Rocha

Trust in Expertise in a Changing Media Landscape – online, 2021

Paper: “COVID-19, (Hydroxy)chloroquine, Expertise and the Political Uses of Disinformation in Brazil”

Co-authors: Dayane Machado, Leda Gitahy, and Leandro R. Tessler

III Simpósio de Geografia do Conhecimento e da Inovação – University of Campinas, 2019

Paper: “Clusters na Indústria de Videogames e as Cidades um estudo de caso sobre o Brasil” (English title: “Videogame Industry’s Clusters and Cities: a Brazilian case study”)

Co-authors: Janaina Pamplona da Costa and James Wilson Malazita

4S Annual Meeting – New Orleans, 2019

Paper: “STS Theoretical Approaches and Video Game Localization: Innovating ideas”

Co-authors: Janaina Pamplona da Costa and James Wilson Malazita

4º Encontro de Grupos de Pesquisa em Ciência, Tecnologia e Sociedade da UNICAMP – University of Campinas, 2017

Paper: “Dublagem Localizada e Indústria Brasileira de Videogames” (English title: “Localized Dubbing and the Brazilian Video Game Industry”)

Co-authors: Janaina Pamplona da Costa and Léa Maria Leme Velho

VII Simpósio Nacional de Ciência, Tecnologia e Sociedade /VII ESOCITE.BR – Universidade de Brasília, 2017

Paper: “Videogames sob uma perspectiva de Sociologia da Ciência e da Tecnologia” (English title: “Video Games in a Sociology of Science and Technology Perspective”)

Co-authors: Janaina Pamplona da Costa and Léa Maria Leme Velho

XIII Jornada de História Antiga – Universidade Estadual do Rio de Janeiro, 2016

Paper: “Jogos Antigos e Atuais: Ritos e Poder nos Videogames sobre a Antiguidade” (English title: “Ancient and Current Games: rites and power in video games about antiquity”)

XII Jornada de História Antiga – Universidade Estadual do Rio de Janeiro, 2015

Paper: “Pensando o Mediterrâneo Antigo nos Videogames: Discursos, Representações e Narrativas” (English title: “Thinking about the Ancient Mediterranean in Video Games: discourses, representations, and narratives”)

XXV Ciclo de Debates em História Antiga – Universidade Federal do Rio de Janeiro, 2015

Paper: “Cidades Antigas nos Videogames: uma leitura” (English title: “Ancient Cities in Video Games: a reading”)

VIII Encontro Nacional do GTHA – Universidade Federal do Rio Grande do Norte, 2014

Paper: “História Antiga e Videogames: Identidades e Apropriações” (English title: “Ancient History and Video Games: identities and appropriations”)

XI Jornada de História Antiga – Universidade Estadual do Rio de Janeiro, 2014

Paper: “História Antiga e seus Pesquisadores nos Videogames: Uma Leitura” (English title: “Ancient History and its Researchers in Video Games: a reading”)

I Semana de Arqueologia – University of Campinas, 2013

Paper: “Arqueologia Subaquática e Poder: questões sobre a ciência arqueológica”

XVII Congresso da SAB – Universidade Federal de Sergipe, 2013

Paper: “Arqueologia Subaquática e Divulgação Científica”

Poster: “Diálogos Patrimoniais, um novo projeto do LAP”

IV Encontro de Pesquisa em Graduação em História – University of Campinas, 2012

Paper: “Arqueologia Subaquática e Caça ao Tesouro: Um Estudo de Caso”

VI Reunión de Teoría Arqueológica de América del Sur – Pontifícia Universidade Católica de Goiás, 2012

Paper: “Imagens da Arqueologia Subaquática: Discursos sobre a Caça ao Tesouro”

XI Colóquio do CPA/ II Semana de Estudos Clássicos do CEC – University of Campinas, 2011

Paper: “Diálogos: Cultura Material, Fontes Escritas e as Representações de Embarcações em Vasos Áticos dos séculos VI e V a.C.”

XIV Congresso SAB/XVI Congress UISPP – Universidade Federal de Santa Catarina, 2011

Paper: “Underwater Archaeology and Treasure Hunting: A Case Study”

XIX Congresso Interno de Iniciação Científica da Unicamp – University of Campinas, 2011

Poster: “Arqueologia Subaquática: Um Estudo de Caso Sobre George Fletcher Bass”

Arqueologia, Cultura Material e Patrimônio – Universidade Federal de Alfenas, 2010
Paper: “História e Ciência: A Trajetória da Arqueologia Subaquática”

III Encontro de Graduação em História – University of Campinas, 2010
Paper: “Arqueologia Subaquática: Um Estudo de Caso sobre George Fletcher Bass”

XVIII Congresso Interno de Iniciação Científica da UNICAMP – University of Campinas, 2010
Poster: “Arqueologia Subaquática: Um Estudo de Caso sobre George Fletcher Bass”

The Thirty First Annual Conference Of The Theoretical Archaeological Group – Durham University, 2009
Poster: “Underwater Archaeology As A Theoretical Endeavour: A Case Study Of George Fletcher Bass”

X Colóquio do CPA – University of Campinas, 2009
Paper: “O Lago Nemi e a Identidade Fascista”

XVII Congresso Interno de Iniciação Científica da UNICAMP CPA – University of Campinas, 2009
Poster: “Arqueologia Subaquática: Um Estudo De Caso Sobre George Fletcher Bass”

Invited Talks in Classes

“Ecossistemas de Desinformação”. Lectured at the course: Ciência, Tecnologia e Movimentos Sociais with Giselle Soares and Nicole de March. Institute of Geosciences, University of Campinas - Unicamp, 2022.

“Videogames, Players, and Localization”. Lectured at the course: Intro to Game Studies. LaRoche University, 2022.

“Localization and Identity at Play: the role of players in localization efforts according to localizers”. Lectured at the course: Game Design, Prototyping, and Production. Carnegie Mellon University, 2022.

“Videogame Industry Clusters: A case study about Brazil”. Lectured at the course: Business Model Innovation Lab. Robert Morris University, 2022.

“Brazilian Modern Art History, an introduction”. Lectured at the course: Survey Of Art History I. Robert Morris University, 2022.

“Disinformation and COVID-19 in Brazil”. Lectured at the honors course: Year 2020: A Moment in Time: Intersections of Race, Class, and Gender. Robert Morris University, 2022.

“Covid-19 in Brazil and the Political Uses of Disinformation”. Lectured at the course: Communication Seminar. Robert Morris University, 2022.

“Language, Identity, and Games”. Lectured at the course: Interactive Media, Culture, and the Future. Robert Morris University, 2022.

“Narrative Branching in Videogames”. Lectured at the course: Interactive Animation. Robert Morris University, 2022.

“On Games, History, Society, and Values”. Lectured at the course: World Civilizations II. Robert Morris University, 2022.

“A Tale of 2 Games: society, values, and ideologies”. Lectured at the course: 4D Studio. Robert Morris University, 2022.

“Video Game Localization: Studying Methods”. Lectured at the course: History and Culture of Games. Rensselaer Polytechnic Institute, 2019.

“From Piracy to Game Development: the video game industry in Brazil”. Lectured at the course: History and Culture of Games. Rensselaer Polytechnic Institute, 2018.

“Percepções de Harry Potter no cinema: o filme Harry Potter e o Prisioneiro de Azkaban (2004)” (English title: Harry Potter perceptions in the movies: Harry Potter and the Prisoner of Azkaban (2004)). Lectured at the course: Harry Potter: História, Cultura e Relações de Gênero nos livros e nos filmes. Course given at the Programa UniversIDADE, University of Campinas, 2017.

“A History of Underwater Archaeology”. Lectured at the course: Sailing the Wine-Dark Sea Maritime Archaeology of the Ancient Mediterranean. Stanford University, Palo Alto-CA, 2013.

Conference Organization
