Online Recruiting Resources Overview

There are multiple resources for posting jobs and internships that will assist employers in reaching students in Moody College and throughout the University of Texas at Austin. To reach students in other colleges, connect with the appropriate college's Career Services office.
Below is a list of databases employers can use to reach Moody College students and alunmi.

CareerSource

CareerSource is available to all Moody College students and alumni (up to 1 year after graduation).
Our majors include Advertising, Public Relations, Journalism, Communication Sciences and Disorders, Communication & Leadership, Communication Studies, and Radio-Television-Film.
Students with a minor within Moody College also have access to CareerSource.

Employers are able to use CareerSource to post professional jobs and internships, create on-campus interview schedules, register for events, and more.

This database is managed by Communication Career Services. For more information or assistance, contact ccsmain@austin.utexas.edu.

HireUTexas

HireUTexas is available to all UT-Austin students and alumni regardless of graduation date. For employers interested in posting professional positions that reach students in multiple colleges or a higher volume of alumni with varying degrees and experience, HireUTexas is recommended.

Note: The HireUTexas database does not currently allow for online resume collection. A valid company email address or external link for applications must be supplied at the time of posting submission.
