Latin American Studies Courses and Mexican American Studies Courses

As a reminder, students who are working on the 18-hour certificate will need to complete **six hours of LAS or MAS course work**. These courses can be lower or upper-division courses. Any cross-listed LAS or MAS course will also fulfill the certificate requirement.

Other Courses that Require Approval from LMS Coordinator and Professor

Students in the LMS Program can, on occasion, request to have other courses considered for the certificate. If the UT course is not directly related to LMS, students must focus their course assignments, projects, papers, etc. on Latino/Latin America media and communication topics in consultation with the faculty member and with prior approval from the professor and LMS program coordinator. In addition, the professor will be required to submit a letter (email) of support for the student upon completion of the course stating the objectives were met before the substitution is processed. Contact Juanita González (juanita.gonzalez@austin.utexas.edu) to discuss this option.

Study Abroad Courses

Certain courses that are *directly relevant* to the Latino Media Studies Program may be applicable to the Certificate Program with review and approval from the LMS program coordinator.
