

Kuhn Intellectual Entrepreneurship (IE) Awards Application

Congratulations on your journey as a citizen and scholar at The University of Texas at Austin. Supported by the generosity of the Kuhn Family, this award is designed to encourage both first generation and economically disadvantaged **undergraduate** students to pursue their academic passions and to seriously consider graduate study.

The Kuhn Family Intellectual Entrepreneurship awards will be in the form of \$1,000 stipends offered to a select number of qualified undergraduate interns. The award is intended to support and encourage students to pursue opportunities that further enrich the [IE Pre-Graduate School Internship](#) experience. (e.g., traveling to conferences, potential graduate school visits, research endeavors, supplies, books etc.).

Each Intern's graduate mentor will be awarded a matching \$1,000 stipend through the Division of Diversity and Community Engagement. **NOTE:** Graduate mentors do not have to meet the requirements for undergraduate interns. They simply have to agree to be a graduate mentor and sign the Kuhn IE Awards Application.

The number of awards made will depend on the available resources. All award recipients are required to participate in the [IE Pre-Graduate School Internship](#) in the semester they receive the award. Applications will be due by no later than the 4th class day of the semester in which the student is actually doing the Pre-Graduate Internship. **As the application process is highly competitive, all interested applicants are strongly encouraged to apply well before the deadline.** A qualified **undergraduate** applicant will meet all of the criteria listed below and be able to articulate a meaningful response to the prompt to be given at the end of the application.

The following forms must be completed in their entirety by the undergraduate intern and signed by the graduate student mentor or faculty advisor:

1. [IE Pre-Graduate School Internship Contract](#) *
2. Kuhn IE Awards Application

This contract must be submitted electronically **at the same time as or before the Kuhn IE Award Eligibility and Application Form are turned in.*
